Instructor and Didactics

The course provided me with a good overview of the topics covered.

The teacher often used examples that helped me understand the course content.

In my opinion the teacher responded adequately to students' questions and comments.

The course content was presented in a way that aroused my interest.

The structure of the course was presented and followed in an understandable way.

In my opinion the teacher's time management in the course was good

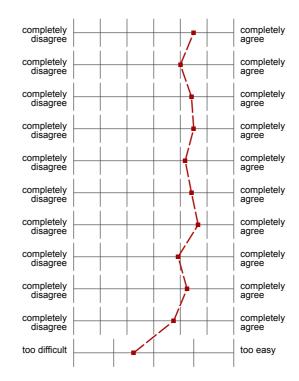

The course made me look forward to deeper involvement in certain course content in the future.

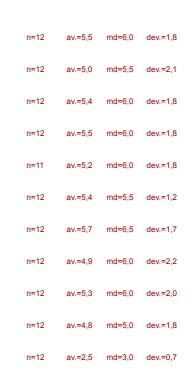

The course content was presented in such a way that I was able to undersstand it well.

The course content was presented in such a way that interconnectios between the topics covered became clear to me.

I received concrete information regarding postpreparation of the course content.

For me, the presentation and communication of the course content was...

Additional module: Term papers and Presentations

All teacher expectations regarding the term paper(s) were clear to me at all times.

I was able to write the term paper(s) within the prescribed time span.

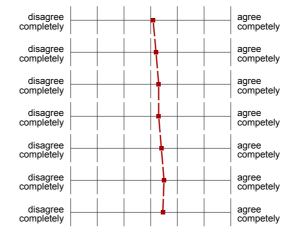

I was given helpful feedback concerning the quality of my term paper(s) contents.

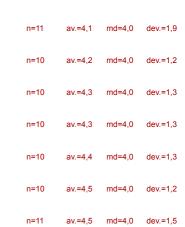

The teacher made helpful suggestions regarding the preparation of the content of my presentation.

The teacher made helpful suggestions regarding the preparation of my presentation.

I was given helpful feedback regarding the quality of my presentation.

I was satisfied with the support on advance
